

The economical CT2025 compact tractor offers rugged performance, power, comfort and all-around versatility for small farms, ranches and acreages.

- Strong enough for big jobs, small enough to fit in tight areas
- Open workstation with Roll-Over Protective Structure
- Category 1 three-point hitch for using implements
- Manual-shift transmission or hydrostatic transmission options
- Integrated loader joystick lever that makes front-end loader work easier
- Rear PTO standard/mid-PTO optional
- 25-hp diesel engine
- Standard four-wheel drive
- Ideal for hauling material, digging holes, mowing and using implements
